# Q-Series

## The Q-Series Makes Your Blender The Strong, Silent Type.

With the development of the Q-Series sound reduction technology, Blendtec blenders continue to deliver the same industry leading performance, at a reduction of 10 decibels, roughly half of the audible sound associated with normal blender operations.

### Standard Features

#### POWER

- Direct drive motor
- Power options

Volts	Amps	Watts
100	13/18	1300/1800
