

50 SERIES

FOR SMALL TO MEDIUM VOLUMES

Maximum performance in minimal space. The 50 Series is the most compact coffee machine in its class. It is the perfect machine for professional catering businesses serving small to medium volumes of coffee.

50

- 10 Coffee
- 20 Milk Coffee
- 30 Self
- 40 Mobile
- 50 Systems

Width: only 30 cm. Fits anywhere

Highest cup output in its class due to optimal process technology

Fastest milk system thanks to dual pump and frother head technology

Even quantities of milk when dispensing two coffee-milk products at a time due to dual milk frother system

Consistent foam quality thanks to optional "Auto shut-off Steam Wand"

100% hygienic and automatic cleaning due to patented milk line rinsing system

Longer life expectancy thanks to stainless steel brewing group

Very maintenance-friendly due to easy accessibility of all components

Display of consumption

Interfaces available to accounting, payment, control or diagnostics systems

Modular upgrade options as required (e.g. cup warmer)

Unique value for your money

Quick and reliable servicing around the clock, and around the world

With its slim brewing unit, the 50 Series is the most compact coffee machine in its class.

The innovative patented fully automatic milk cleaning system ensures that all milk delivery lines are 100% hygienically rinsed.

The new frother head system is not only easy to handle, but also provides the fastest milk performance in connection with the dual pump technology.

SWISS COFFEE SYSTEMS

Passion for the best coffee. Since 1934.
